

Eastern Shore Practical Shooters At Delmarva Sportsman's Association Sudlersville MD Match Schedule for 2012

Matches are run on the fourth Saturday of the month, February thru October. All matches are held Rain or Shine! (In the case of forecasted **severe** weather, contact Kenny Danz the night before or check your E-Mail on the night before the match.)

Dates: February 25, March 24, April 28, May 26, June 23, July 28, August 25, September 22, October 27

Times: Setup - 08:00
New Shooter Safety Check - 08:30
Range Briefing - 09:15
Start of Match - 09:30

Entry Fees: \$20 Juniors - \$10 Shooters who help setup at 08:00 - \$5 off of entry fee.

Range Rules: We run a **COLD RANGE!!** Firearms will not be loaded at anytime except when you are directed to do so by the Range Officer in preparation to shoot a stage. All handling of firearms other than when shooting a stage will be done in the **SAFE** area. This area may be used to handle your **UNLOADED** firearms for the purpose of bagging and un-bagging, practice draws, dry fire or repairs. **ABSOLUTELY NO AMMUNITION WILL BE HANDLED IN THIS AREA!!! THIS INCLUDES THE GUN, AMMO BOXES, LOOSE AMMO, LOADED SPEED LOADERS OR LOADED MAGAZINES.**

If you violate these rules, you will be DQ'd from the match with no refund of entry fee and asked to leave the range.

All USPSA safety rules will be followed. Violation of these rules may also result in a match DQ.

All shooters are required to help out with scoring, taping, resetting steel and picking brass. Also, shooters are expected to help tear down the stages when the match is over.

If a shooter needs to leave their squad (ex: use the restroom, work on you firearm etc.) please notify the RO on your squad.

Ammo Requirements: Most of our matches require about 90 to 100 rounds to complete. Bring extra for misses, re-shoots and if we have a higher number of stages and/or shots required. (150 - 200 should suffice unless you plan on missing a lot!!)

Registration: Pre-registration is not required but it is appreciated if you would, notify Kenny Danz by telephone or e-mail so we have an idea of how many shooters to expect.
