

Dear friends,

Many of you have encouraged me to run for County Commissioner. After considerable thought and a few sleepless nights, I have decided to run for County Commissioner At-large.

Last week was a very busy week. Dr. Earl Chambers has agreed to be my Campaign Manager and Mr. Frank Coldwell my Treasurer. With their signatures in hand, I filed the necessary paperwork with the Board of Elections.

As this is my first run for public office, I have been making a lot of phone calls seeking advice in setting a course for the campaign. You know, setting up a bank account, website, post office box, signs, and all the other activities required to run a successful campaign.

I believe my experience and leadership in Queen Anne's County government and well as my forty years in management in the telecommunications industry provides the background needed to run for this important office. My seven years of County Service includes two years on the Electrical Board, five years on the Planning Commission, with three years as Chairman, Co-chairman of the Blue Ribbon Panel on Smart Growth and Rural Development and a couple of years on the Courthouse Committee.

What I really need now is your input and help. Any help would be greatly appreciated. Over the next few months I will be traveling this beautiful County of ours, meeting and talking to fellow citizens. If you would set up a neighborhood gathering, I would be happy attend. Placing a sign in your yard would be a great help. Just forwarding this email to a friend or neighbor would go a long way.

And the most difficult part of all, especially in these difficult economic times, a donation, no matter how small would be greatly appreciated.

Please send checks to Citizens for Frank Frohn, P. O. Box 502. Stevensville, MD 21666.

Together we can maintain the quality of life that we now enjoy,

Sincerely,

Frank Frohn
