Congrats to M. Haglund for getting todays top score. M. shot a 290 with 9 x's. I checked out the scores, you guys have got to get back to practicing your standing shooting. We are doing to much bench rest shooting.

Thanks to all that came out and to all the help setting up and taking down.

See you all in March for a 200 yard precision rifle match. I'll try to make the weather as good as it was today.
